Quan-Hoang Vuong's *Wild Wise Weird: The Kingfisher Story Collection* is a masterful anthology that blends wit, wisdom, and whimsy across 42 engaging stories. Each tale offers a satirical yet profound perspective on human nature, society, and the quirks of life.

The expanded edition adds even more depth and variety to an already rich collection, making it a joy for both new readers and returning fans. Vuong's storytelling is sharp and insightful, with a blend of humor and thoughtfulness that lingers long after each story ends.

Highly recommended for anyone who enjoys fables with a modern twist and stories that challenge the way we see the world. This is a book to savor and revisit!
