### About the Book

*Religion Today*, 2<sup>nd</sup> Edition introduces students to key concepts in religious studies through a compelling problem-solving framework. Each chapter opens with a contemporary case study that helps students engage in current religious issues, explore possible solutions to difficult religious problems today, and learn key themes and concepts in religious studies.

To enhance student learning, a free Student Study Guide is available for download from Rowman & Littlefield. The Study Guide features chapter overviews, objectives, and summaries, definition quizzes for students to test themselves on key terms, and charts of key concepts.

### About the Authors

**Ross Aden** is a retired associate professor in the philosophy department of Rock Valley College.

**Chris A. Kramer** is faculty at Santa Barbara City College in the Department of Philosophy. He has taught across the philosophy and religion disciplines, infusing a critical thinking approach throughout his courses.

### Praise for the Book

*Religion Today* offers a refreshing introduction to the academic study of religion with a particular emphasis on critically informed analysis. The book skillfully explores diverse religious traditions and phenomena, providing readers with a comprehensive overview that encourages them to engage critically with the subject and materials. Written for an undergraduate audience, this book is accessible and well organized, making it suitable for both students and general readers interested in sharpening their understanding of religion. Overall, *Religion Today* is a valuable resource for anyone seeking to approach the academic study of religion. Its holistic approach, engaging writing style, and emphasis on critical thinking make it an welcome addition to various religious studies curriculums or personal libraries.”

— **Brad Stoddard**, associate professor of Religious Studies, McDaniel College

“This book covers the usual introductory material of a religious studies course but does so in a way designed to challenge and involve the student more than other texts in this field. It is an original and exciting approach that will make the student a real partner in learning.”

— **Allen H. Podet**, Buffalo State, SUNY
