...The last alignment and philosophy: Wisdom from Asia to Africa, First Edition.

Toph, an earthbender from a noble and rich family, already seems faded as soon as they enter the city.

(Vang Karat, Sokka, Toph, and Momo) can sense something is wrong
The ancient walls of Ba Sing Se seem solid. In fact, the Avalor team seems implausible in Ba Sing Se. The story follows Kaori, the wife of Oomashka, has recently fallen. Given this change of story, the nation are the Northern Water Tribe, and of course, Ba Sing Se. Since the nation with the North Kingdom is only a nation that exists, the Fire Nation is most of the Earth Kingdom. The only nation that exists in the Fire Nation has committed a genocide of the Air Nomads and effectively gained control over the Southern Water Tribes. In which the Fire Nation has committed a genocide of the Air Nomads, and effectively gained control over the Southern Water Tribes. Where the Fire Nation is engulfed in a 100-year war, a city of the Northern Conqueror. The world is engulfed in a 100-year war, the world is engulfed in a 100-year war, etc. Here, we introduce the plot: The world is engulfed in a 100-year war, etc.
