

A collection of creative and quirky fables from the perspective of a wise kingfisher
Amazon Book Review Series of “*Wild Wise Weird*”

Stacy Gagnani

United States, January 2, 2025

* * *

These stories about a kingfisher and his bird village serve up Vietnamese culture with a side of laughs. The author mixes clever social commentary into each tale, but keeps it light and fun. Double the stories in this new edition means double the entertainment - perfect for when you want your wisdom wrapped in feathers and wit

Stacy Gagnani

★★★★★ **Tails of Birds - but so much more**
