

Delightful Fables with Profound Wisdom!
Amazon Book Review Series of “Wild Wise Weird”

Hazel

United States, January 27, 2025

* * *

What a gem! Quan-Hoang Vuong's "Wild Wise Weird" is far more than just a collection of animal stories. The Kingfisher, our wise protagonist, is basically the philosopher-bird we never knew we needed.

What a gem! Quan-Hoang Vuong's "Wild Wise Weird" is far more than just a collection of animal stories. The Kingfisher, our wise protagonist, is basically the philosopher-bird we never knew we needed.

Each story is a bite-sized slice of wisdom wrapped in humor. I found myself chuckling one moment and deeply contemplating life's complexities the next. The book brilliantly uses animal characters to explore very human experiences - from finding your way home to understanding teamwork.
