

# International Journal of Advances in Engineering & Technology (IJAET)

Dear Professors, Engineers  
Researchers, Professionals,  
Academicians, Technologists,  
students, Freelancers and  
scientist, research articles,  
review articles and short  
communications are invited  
for the forth coming issue of  
International Journal of  
Advances in Engineering and  
Technology (IJAET)

**Editor: Dr. P. Singh**

IJAET is a scholarly online, open access, peer-reviewed, inter-disciplinary, bimonthly, and fully refereed journal focusing on advances in the field of Engineering and Technology. IJAET is managed by a strong team of editorial board, advisory board & research volunteers. The journal covers all areas of engineering and Technology. Journal publishes original research articles, review articles, new concepts, literature surveys, state of the art, research implementations, simulation/practical experiments, applications of engineering and technology, industrial case studies and technical notes. Articles included in this publication will receive very high publicity and acquire very high reputation.

**ISSN: 2231-1963**

**Published: bi-monthly; Est. 2011**

Individual Online Access and E-Journal Access: Open Access

Institution Access: Open Access

## coverage

Topics of interest include but are not limited to the following:  
Ad hoc & sensor networks, Adaptive applications, Aeronautical Engineering, Aerospace Engineering, Agricultural Engineering, AI and Image Recognition, Allied engineering materials, Applied mechanics, Architecture & Planning, Artificial intelligence, Audio Engineering, Automation and Mobile Robots, Automotive Engineering, Bioengineering, Bioinformatics, Biomedical Engineering,

Broadband Communications, Chemical Engineering, Civil Engineering, Computational engineering, Computational Intelligence, Computer Networks, Computer Science Engineering, Computer Software / Hardware, Control and Computer Systems, Data Compression, Data Engineering, Design engineering, Digital Speech Processing, Electrical Engineering, Electromechanical System Engineering, Electronics Engineering, Embedded Systems & Applications, Fault Tolerance

**Submission information** Prospective authors should note that only original and previously unpublished articles will be considered for publication in IJAET. Interested authors must consult the journal's guidelines for manuscript submissions at <http://www.ijaet.org> prior to submission. All article submissions will be forwarded to the Editorial Review Board for double-blind, peer review process before publication.
