- The threshold to a list requires at least 13 majors (rank 1-2) or 55 majors (rank 1-50), which is found that 36 institutions are finally qualified for the final ranking.
- The rest of institutions close to a threshold and hopefuls for the final ranking are displayed in the following. They are not exhaustive, but selected cursorily. The first number indicates that of majors (rank 1-2), while you can see a second number of majors (rank 1-50) in the parenthesis.
- Northwestern (11/53) Johns Hopkins (12/48) Oregon State (11/49) Washington U./St. Louis (10/40) UCSD (9/48) Duke (7/46) U.
