

Correction to “A Theory of the Big Bang in McTaggart’s Time”

The line that reads “But this leaves open the question of why the Big Bang did not happen a billion years before now, such that we are also a billion years before now.⁵” should instead read “But this leaves open the question of why the Big Bang did not happen a billion years before it did, such that we are also a billion years before now.⁵”

Merriam, P. A Theory of the Big Bang in McTaggart’s Time. *Axiomathes* 32 (Suppl 3), 685–696 (2022).
