SCIENCE & PHILOSOPHY - JOURNAL OF EPISTEMOLOGY, SCIENCE AND PHILOSOPHY

ISSN 2282-7757; eISSN 2282-7765.

Science & Philosophy is an International, peer-reviewed, open access journal, published every six months (June-December). Science & Philosophy aims to publish original research articles but also short communication and review papers of general significance that are written clearly and well organized.

The journal is a source of information for professionals in a wide range of scientific discipline. Indeed, Science & Philosophy is a multi-disciplinary journal that covers fundamental and applied research in various areas related to Science, Epistemology and Philosophy, including Mathematics, Statistics, and Social Science.

Both English and Italian languages are accepted for publications. In the case of an article in Italian, it is necessary to provide the title, the abstract, and the keywords also in English.

The journal is oriented on the scientific analysis of social phenomena, both by developing research with quantitative and qualitative methods and by interpreting with philosophical criticism. Science & Philosophy has its focus in the study of social phenomena both macro and micro, using the interdisciplinary approach of the social sciences, from economics to law, from politics to sociology, from history to social statistics. The journal focuses on the analysis of both phenomena and trends, for designing local developments and systems ecology. Scientific analysis is supported by an ethic of sociability.

Science & Philosophy publishes **open access articles** under the terms of the **Creative Commons Attribution (CC BY) License**. The Creative Commons Attribution License (CC-BY) allows users to copy, distribute and transmit an article, adapt the article and make commercial use of the article. The CC BY license

permits commercial and non-commercial re-use of an open access article, as long as the author is properly attributed.
