**Michelle:** Lessons from the Bird world [1]

Reading these stories felt like stepping into a vibrant little universe where cheeky birds mirror our own quirks.

The blend of Vietnamese folklore and modern humor made it both nostalgic and refreshingly new.

Kingfisher's wit struck me as a playful echo of Aesop's timeless lessons, yet with a distinctly original twist.

I loved how each brief tale entertained me on the surface while nudging me to ponder deeper truths.

It's a perfect pick for anyone seeking a gentle escape that still packs a surprising dose of insight.

★★★★★ **A great story**

This is a story of great interest. Kingfisher is both crafty and smart. Whether catching fish or playing with other birds, the kingfisher is master of all he surveys. The wisdom, and pride of kingfisher comes through in all the stories in its own intriguing way. Though small he is witty and fun-loving. Notwithstanding his size the kingfisher never allowed his fear to control him. It is a story told from the heart of a great storyteller.
