

Kant, Race, and Racism

Views from Somewhere

"Anyone who teaches Kant's ethics should find time to read this illuminating and comprehensive study of his institutional role in diminishing the prospects of members of non-White races." - Patricia Kitcher, Roberta and William Campbell Professor Emerita of the Humanities, Professor Emerita of Philosophy, Columbia University

"*Kant, Race, and Racism: Views from Somewhere* will dramatically reshape contemporary debates over all these issues and be essential reading for anyone invested in maintaining Kant's relevance in the academy today." - Jennifer Mensch, Author of *Kant's Organicism: Epigenesis and the Development of Critical Philosophy*

"*Kant, Race, and Racism* is challenging--and indispensable--to everyone concerned about how philosophy should be done by those with antiracist commitments." - Robert Bernasconi, Edwin Erle Sparks Professor of Philosophy at Pennsylvania State University
