In the first published version of this article [1], the authors stated that “**Funding: The authors declare no funding**” was misspelled. This has been changed to “**Funding: The study was supported by Gaziantep University Scientific Research Projects Unit with project number TF.11.36**”. The authors take full responsibility for this confusion, and they apologize for the confusion.

**Publisher’s Note:** The original article has been corrected, and a correction note was added.
